November 22, 1920

November 22nd, 1920.

Mr. R. D. Banerji,
Superintendent, Archaeological Department,
Western Circuit, Bombay, India.

Dear Sir:-

We note in reading over the Proceedings of the annual meeting of the Numismatic Society of India that you have described a great find of Suri rupees in the Journal of the Bihar and Orissa Research Society. Would it be possible for us to get this article of yours?

We beg to remain,

Most truly yours,

Curator.
